To whom it may concern,

As the Director of Sales and Marketing at NYLO Hotels, I have had the opportunity to work with Darrique Barton and would like to recommend him for your opportunity. I have worked closely with him in his roles at the NYLO Plano at Legacy - as a Front Office Manager, Housekeeping Director, and Room Director.

Darrique has shown great customer service skills, leadership ability, and flexibility. His work and analyses has saved the hotel money. While Darrique may have served in specific roles, he has done more operationally to advance the hotel. He also has a vast knowledge of systems and IT networking.

I would like to recommend Darrique Barton as a tremendous asset to your company.

Sincerely,

Kam Gideon
